My One BIG Idea

Congratulations on completing this program. We sincerely hope this blueprint has been helpful in setting you on the path to fulfilling your dreams as a talented creative and sharing your gift with the world.

MAY I ASK A FAVOR?

It makes a huge difference to us here at DrawnBySuccess to know that what we offer is getting you real results. If you found this to be valuable to you, May we ask for two small favors?

First, take a moment to share with us what you're inspired to create this year, as well as any specific insights you gained from using your **DBS Artists Success Blueprint**. You can e-mail me directly at: carlos@drawnbysuccess.com

Tell us how this program has been helpful to you. How it made you feel? Are you better prepared now to tackle your goals? What problems did it help you fix or identify? Do you feel more clear now about following through with your plans?

Second, if you found this program helpful, would you please refer your artist friends to www.DrawnBySuccess.com via e-mail, and social media sites such as Twitter, Facebook, Google+, etc.

Your support in helping us reach more artists is greatly appreciated.

If you'd like additional support or have deeper, more specific questions about your creative business that you would like to explore, I invite you to schedule a free 20 minute 'Profitable Creative Strategy Session' with me.

You can e-mail me directly at: carlos@drawnbysuccess.com to schedule your call.

Thank you so much for your time, trust and confidence.
Unleash Your Creative Potential,

Carlos Castellanos
